Notice to Residents of the City of Artesia

Beginning July 6 & 7, 2009 residents of the City of Artesia will have their curbside collection changed to Monday or Tuesday. This change will be necessary to implement a new re-routing program that will help us be more efficient in the service we provide to you our residential customers. Please refer to the Artesia Map to locate your street boundary and your new collection day.

If you live West of Pioneer Blvd. and North of the 91 Freeway, your new service day will be Monday. If you live East of Pioneer Blvd. and South of the 91 Freeway, your new service day will be Tuesday.

Should you have any questions, please contact our Customer Service Department at (562) 347-4000.
