### **Residential Parking Program Fact Sheet**

#### WHAT IS THE RESIDENT PERMIT PARKING PROGRAM?

Artesia established the Resident Permit Parking Program in 2014 as a new tool to limit overflow of parking from merchants and visitors for the downtown area to adjacent residential streets. It is designed to help minimize the impact on neighborhoods from excessive intrusion of nonresident vehicles being parked on residential streets adjacent to the downtown area.

#### HOW DOES A RESIDENT BECOME ELIGIBLE FOR A “RESIDENTIAL PARKING PERMIT”?

The following conditions must exist:

Must be a resident of the designated street you are applying the permit for (proof of residency, includes utility bills, lease agreement, etc.)

Must have a valid vehicle registration and current insurance

Must not have any pending parking citations on the vehicle

#### HOW MUCH DO PERMITS COST?

All permits are issued at free of charge.

#### HOW DO I OBTAIN PERMITS?

Submit an application (available at City Hall or visit [www.cityofartesia.us](http://www.cityofartesia.us)) with proof of residency, vehicle information, and valid driver’s license to the Public Safety Office during normal business hours.

#### WHAT TYPES OF PERMIT ARE AVAILABLE FOR VISITORS?

Residential permits are available for all qualified vehicles. Each household is eligible for five visitor permits, one permit for each property owner(s), temporary permits for special events are available with proof of residence.

#### WHAT IF I HAVE A UTILITY WORKER OR LANDSCAPER WORK ON MY YARD? DO THEY NEED A PERMIT?

No permit is needed. Actively working utility workers and landscapers are not required to have permits.
