FOR IMMEDIATE RELEASE

City of Artesia's 2018 Annual Report Delivered

It has been another great year for the City of Artesia, and residents can read all about it in the 2018 Annual Report.

In the past year the City has focused on addressing the desire of residents for more public safety, more special events, more recreation programs, a sharper focus on requests that property owners keep up their properties, as well as providing shopping and dining venues which appeal to all residents of Artesia.

In the 2018 Annual Report, individuals can learn more about the fiscal strength of the City, quality of life improvements resulting from a 35.75 percent reduction in crime rates, new revenue resulting from new projects taking shape throughout the City, beautification efforts, and more.

The City of Artesia's 2018 Annual Report was delivered to all residences earlier this month.
