City Announces Application Details for 2019 Scholarship Program

The City of Artesia is pleased to announce a partnership with Artesia-based Cerritos Presbyterian Church to award up to three high school seniors or college students a \$1,000 scholarship to the college, university, trade school, or vocational program of their choice.

This is the third year of the partnership between the City of Artesia and Cerritos Presbyterian Church to encourage and support students to pursue a vocational trade or higher education. This program provides Artesia residents with an opportunity to earn a scholarship that will assist each student in their pursuit of a vocation or higher education. The scholarship is open to all high school seniors and college/trade school students who are residents of the City of Artesia and will be enrolled in college, university, trade school, or a vocational program in the fall of 2019.

For more information, or to apply for the scholarship, please view the application and program requirements [here](#). Completed applications should be submitted per the application guidelines no later than 5 pm on Wednesday, May 1, 2019.
