## **FOR IMMEDIATE RELEASE**

### City Hosts Successful Public Safety Expo

On Saturday, February 23, City of Artesia staff along with representatives from the Los Angeles County Sheriff's Department, Los Angeles County Fire Department, and more hosted the City's annual Public Safety Expo at Artesia Park. Many families from Artesia and surrounding areas attended the event, which is an important part of the City's commitment to public safety and efforts to keep the community educated on the valuable services available to them.

Attendees were treated to demonstrations of the jaws of life from the Fire Department, as well as tours of the Sheriff's helicopter and other vehicles, a petting zoo and reptile show, and numerous opportunities to learn about Code Enforcement, Recycling, and other services in the community. Raffle prizes were also available to those who went to all the various booths to learn about emergency, public safety, and other City services.

The City of Artesia is committed to public safety and to bettering residents' quality of life. The annual Public Safety Expo is but one way the City involves the community in public safety and educates them about the partners that keep Artesia safe. The City thanks all its partners for taking part in the Public Safety Expo and contributing to the well-being of the community.
