### FOR IMMEDIATE RELEASE

#### City Launches New Home Security and Alarm Rebate Pilot Program for Artesia Residents

As part of its efforts to improve public safety in the community, the City of Artesia is launching a new Home Security and Alarm Rebate Pilot Program. This new program, which was approved by the Artesia City Council at its April meeting, will provide rebates of up to \$250 to Artesia homeowners that install a new home alarm system.

Residents can submit an application for a rebate online or fill out a paper application to submit in person or through the mail. Applicants will have to include a copy of their receipt and a photo of the installed system as verification that the system is new, was purchased by the resident, and is in-use. Rebates will be distributed on a first-come, first-served basis until funding is used, so residents are encouraged to apply quickly.

The Home Security and Alarm Rebate Pilot Program is the latest move in the City's dedication to public safety in Artesia. Over the last four years, the City's budget for public safety has nearly doubled, allowing the City to invest in new training and equipment and increased operations for the Sheriff's Department. The City will continue to explore creative ways to improve public safety in the community.

For more information about the Home Security and Alarm Rebate Pilot Program and to apply, visit the City's website at [www.cityofartesia.us](http://www.cityofartesia.us), or contact Jeremy Bates, Management Analyst at (562) 865-6262, extension 245, or via email at [jbates@cityofartesia.us](mailto:jbates@cityofartesia.us).

###

*Located in southeast Los Angeles County, Artesia is a diverse, vibrant city with nearly 18,000 residents and a dynamic business community. The City of Artesia, a leader in sustainability practices and winner of two 2018 Beacon Spotlight awards, is focused on serving the community with sound governance, 21st century infrastructure, and a commitment to public safety.
