

CRAFTASTIC!

Cow Plate Craft

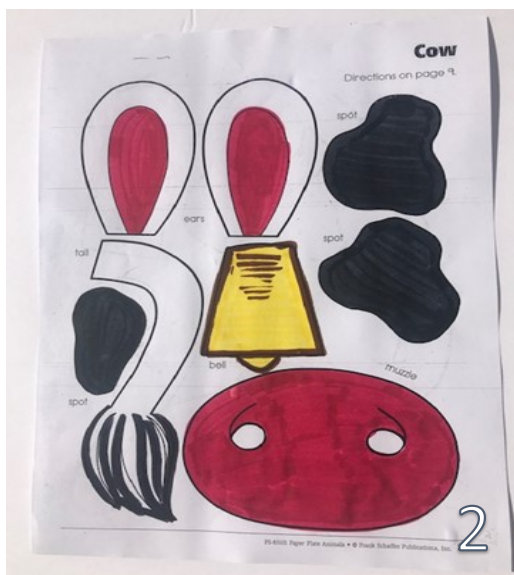

Supplies:

- One 9" paper or foam plate
- One 6" paper or foam plate
- Glue
- Scissors
- Markers or Crayons
- Print out of the cow patterns on pages 3 & 4 of this hand out.

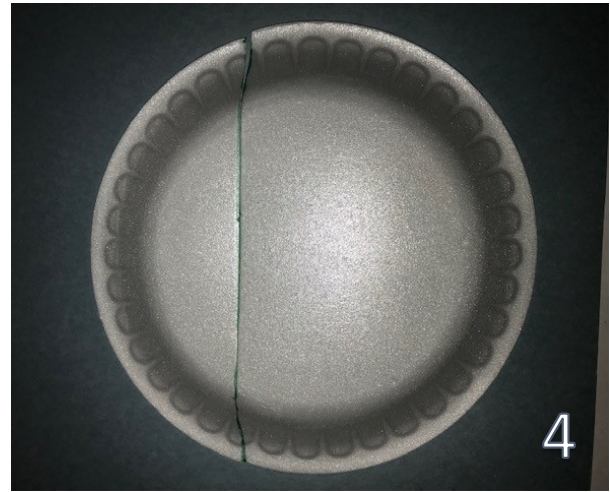

- 1) Print out the full size Cow Patterns on pages 3 & 4 of this handout.

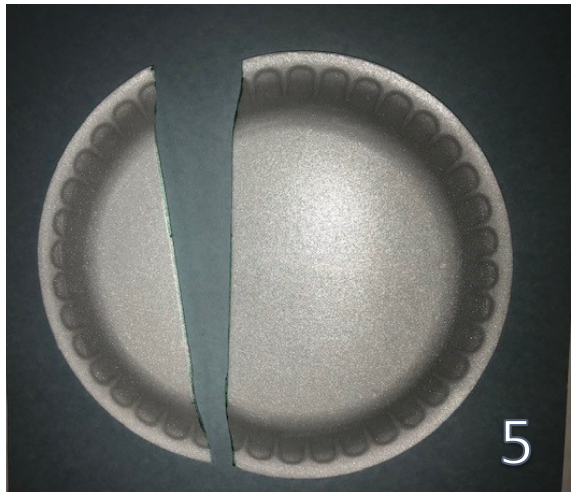

- 2) Color the Cow Patterns. Choose any color scheme you'd like.

3) Cut out all the pieces from the cow patterns.

4) Draw a line straight across the top of the 9" plate and the top of the 6" plate as shown.

5) Cut the top off of the 9" plate. This will be for the body.

- Cut the top off of the 6" plate. This will be for the head. The plate will face down.
- Glue the 6" plate onto the top left corner of the 9" plate as shown in picture #6.

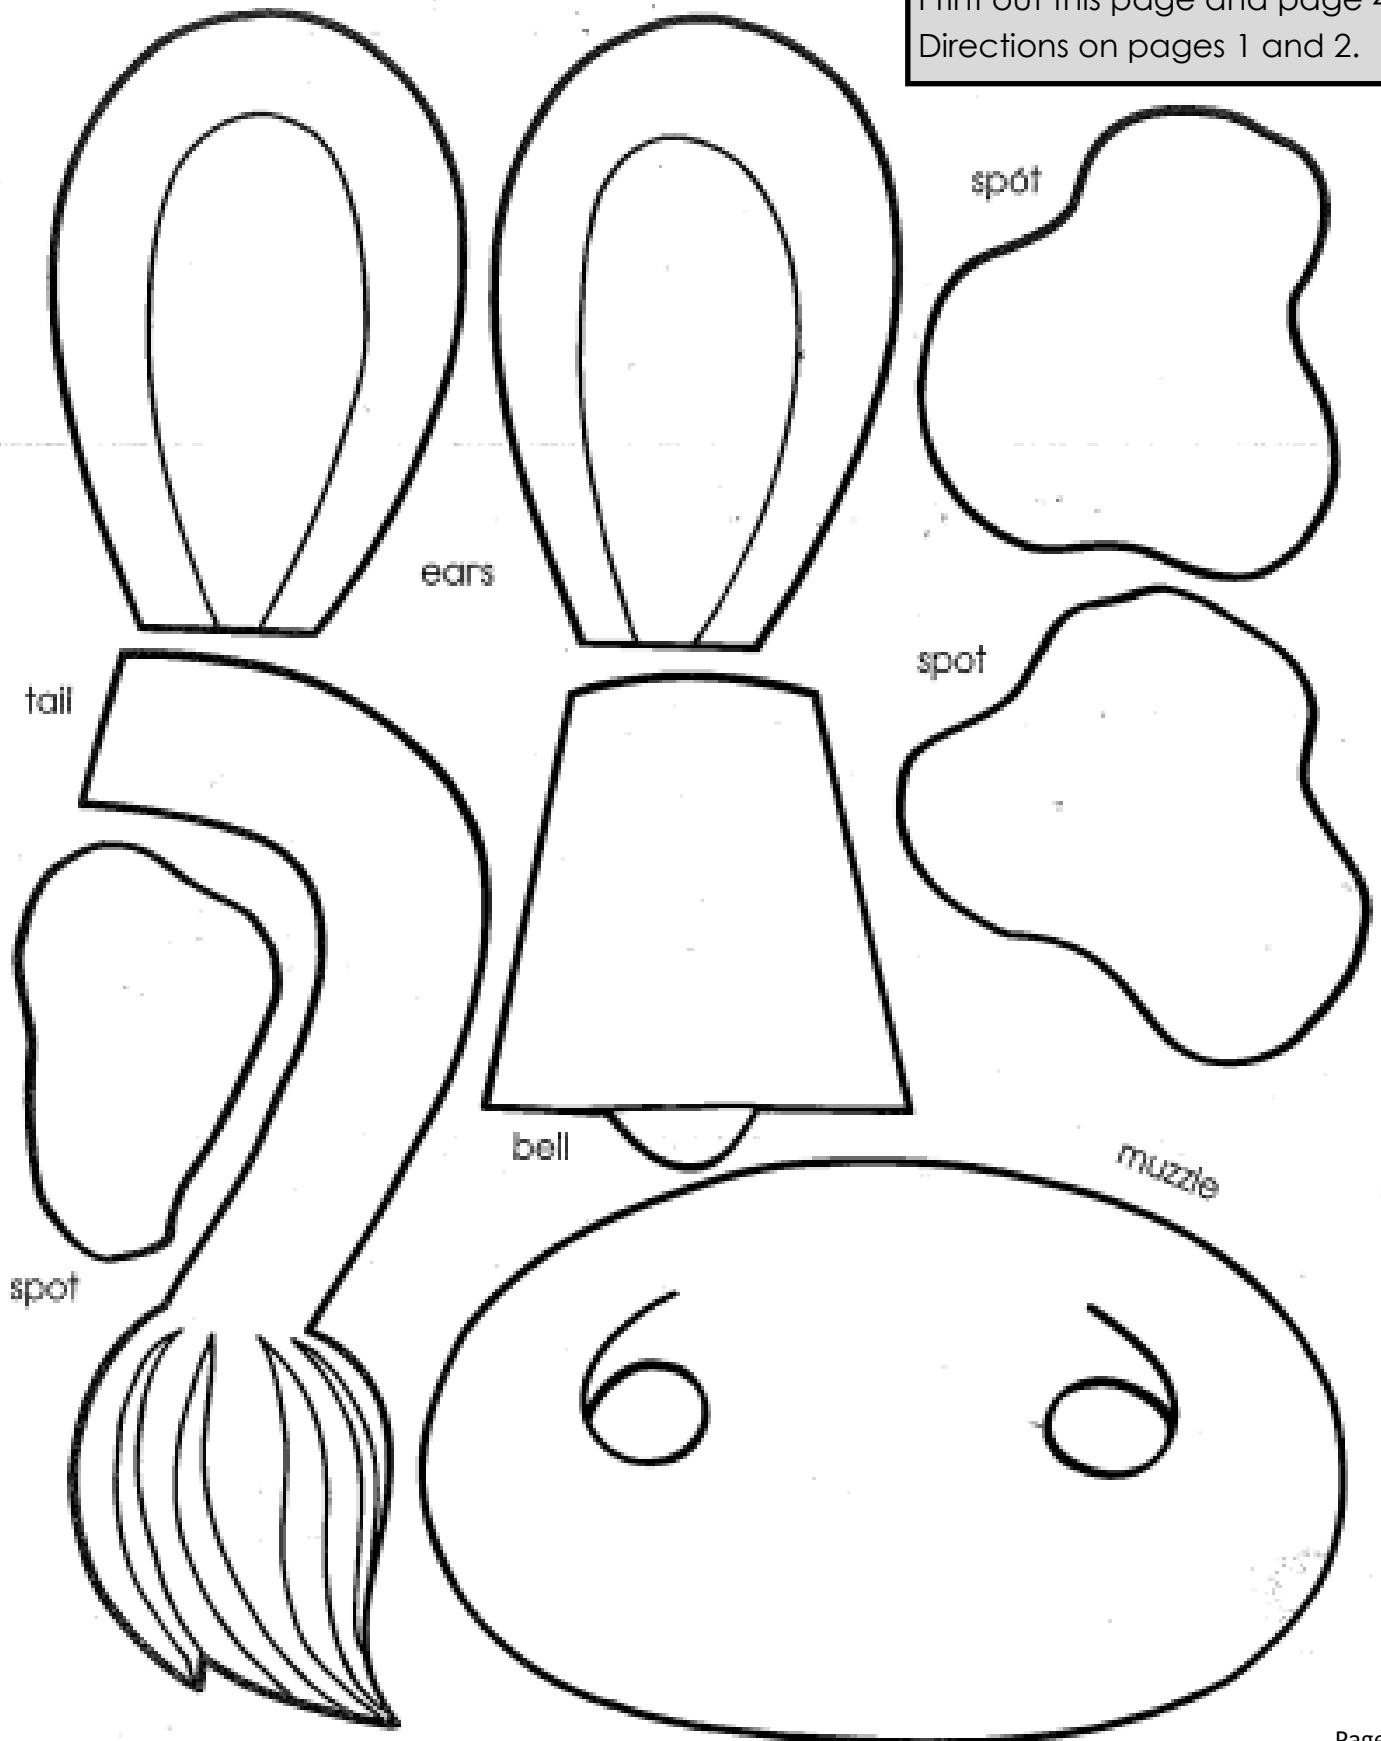

6) Glue the muzzle to the bottom portion of the head and draw in the eyes.

- Glue one ear to each side of the head then glue each horn between the ears.
- Glue the bell under the head and the spots onto the body.
- Glue the tail to the edge of the body and the legs to the bottom third of the body.

7) Take a picture with your creation and post it to Instagram or Facebook! Don't forget to tag us @officialcityofartesia!
