

SNOWMAN

Coffee Filter

Material's Needed:

- Coffee filter
- Construction paper (blue, orange and black)
- Glue stick
- Crayons (white and black)
- Scissors

Step 1

Step 2, 3 and 4

Step 5 and 6

Step 7 and 8

Directions:

- Step 1: Glue the coffee filter onto the center of the blue construction paper.
- Step 2: Use a black crayon to draw two eyes in the upper center of the filter.
- Step 3: Cut out a carrot-shaped piece of orange construction paper and glue it in the center of the filter to make a snowman's nose.
- Step 4: Cut out five rough circles of black construction paper to form pieces of coal. Arrange them in a semi-circle and then glue them down to make the snowman's mouth.
- Step 5: Cut out a rectangular piece of black construction paper and glue it directly on the top of the coffee filter.
- Step 6. Add a narrow rectangle of black construction paper to the bottom of the hat to form the brim.
7. Finally, use a white crayon to add a few snowflakes falling in the background.
- Step 8: Take a picture with your creation and post it to Instagram or Facebook! Do not forget to tag us @officialcityofartesia.
