

Abraham Lincoln

Supplies Needed:

- Paper plate
- Scissors
- Glue
- Black marker
- Construction paper (brown, black and white)

Step 2

Step 1: Paint the bottom of the paper plate flesh colored or you can leave your plate without color.

Step 2: Draw a mouth and a nose with a black marker. Cut two circles from white paper for eyes and two smaller circles from black construction paper for the pupils.

Step 3

Step 3: Cut some rectangles from black construction paper to assemble a hat, and a white rectangle for front of the hat.

Step 4

Step 4: Cut strips of brown construction paper (about 1 inch wide and 3 or 4 inches long) and roll them around a pencil to curl them. Glue them all the way around the plate as hair and a bread (except where the hat goes).

Step 5: Take a picture with your creation and post it to Instagram or Facebook! Don't forget to tag us @officialcityofartesia.
