

# Bunny Craft

## Supplies Needed:

- |                       |                        |
|-----------------------|------------------------|
| Jumbo popsicle sticks | Construction paper     |
| Glue                  | Black marker           |
| White paint           | Wiggly eyes (optional) |
| Paint brushes         | Scissors               |
| Glue                  |                        |

### Step 1

### Step 2-3

### Step 4

**Step 1:** First assemble the base of your bunny. Simply glue your popsicle sticks together to look like a fence. Set them aside and let it dry completely.

**Step 2:** Paint the front of the popsicle stick fence white. Set aside and let it dry completely.

**Step 3:** Cut out the construction paper embellishments to give your pieces life. Cut out ears and cute pink nose.

**Step 4:** Glue all the pieces to finish your bunny, then let it dry completely.

**Step 5:** Take a picture with your creation and post it to Instagram or Facebook and tag us @officialcityofartesia!
