# International Street Fair & Diversity Festival Celebrates Artesia's Many Cultures

The City of Artesia was proud to host the 10<sup>th</sup> Annual International Street Fair & Diversity Festival on Saturday, October 1<sup>st</sup> in the City's downtown district. The event, held on Pioneer Boulevard, attracted over 40,000 people! Attendees enjoyed live entertainment featuring a variety of bands, and a Cultural Stage that offered performances from many of the local groups in the community.

Attendees also enjoyed a variety of food and vendor options, a Kid's Fun zone that included ceramic painting, bounce houses, slides, and sports games! The City was proud to host the 2nd Annual Fashion Show hosted by Smita Vasant of LA India Fashion Week.

With all the music, food, and wonderful street vendors, everyone that attended had an amazing time. Hope to see you at next year's 11th Anniversary Festival.

### Artesia Graffiti Program how to participate

## Got Graffiti? We Have you Covered

The City of Artesia has partnered with Dunn Edwards Paints to provide a 40% discount on paint to residents and businesses in the City affected by graffiti. Simply call the City to receive a courtesy notice about graffiti on your property, take the notice to Dunn Edwards in Artesia, and select a paint in your desired color and sheen! Call 562-865-6262 ext. 200 for more details.

# Recycle Christmas Trees

CR&R Environmental Services, The City's franchised waste hauler, will offer convenient pick up of Christmas trees for recycling. Organic waste, like Christmas trees, is no longer allowed in landfills under Senate Bill 1383. Decomposing organic waste creates greenhouse gases that contribute to climate change events, such as hotter summers and extreme droughts. Recycling Christmas trees into wood chips or mulch that can be used for landscaping or gardens, is much better for the environment.

CR&R will collect Christmas trees from December 26 through January 6, for residents with cart service. Multi-family residents who dispose of their trash in dumpsters should work with their site managers or property owners to have their Christmas trees removed.

To prepare a Christmas tree for recycling, please do the following:

- Remove tree stand, tinsel, ornaments, and decorations
- Trees over 6 feet, should be cut in half and placed at the curb. Trees under 6 feet should be placed in the organics cart.
- Flocked trees will be accepted, but are not recyclable because the flocking contains chemicals and materials that are not allowed in organics recycling.

Residents may use their bulky item service if they are unable to recycle their tree during this collection period. The bulky item pick-up program allows for up to four free pick-ups per calendar year, with a maximum of four items per pick-up.

## CITY OF ARTESIA Restaurant WEEK MARCH 18-24, 2024

The City of Artesia will once again host Restaurant Week and encourages local restaurants to participate. Community members are encouraged to dine in or order takeout from participating restaurants during the week of March 18-24, to help strengthen the local economy.

Artesia's diverse community provides for a wide variety of quality restaurants in the City, offering an assortment of cuisine locally including Italian, Indian, Mexican, and Asian food, and many more!

Visit participating restaurants during Restaurant Week and enjoy many great flavors from around the world. You may even discover a new favorite restaurant! For more information visit <https://tinyurl.com/ArtResWeek>.

# 166th Street Improvements

The teams from the City of Norwalk, City of Cerritos, and City of Artesia have successfully completed the planned striping and installation of bicycle lanes. The new striping enhances safety on 166th street for both the residents living in this area and those who frequently pass through this section of the City. These street improvements contain a Road Diet, a common measure on major roads aimed at reducing traffic and improving safety and mobility. Additionally, the improvements include maintaining parking along 166th Street, making it easier to turn in and out of side streets along 166th Street, the addition of bicycle lanes on both sides of the street, and a painted center median with left-turn pockets.

Be sure to stay updated by following the City's social media channels on upcoming road improvement projects.

## LA Homeless Outreach Program (LA-HOP)

LA-HOP is designed to assist people experiencing homelessness in Los Angeles County with outreach services. By submitting an outreach request, you're taking a step toward helping those in need. Keep in mind that, as we strive to assist everyone, individuals with more critical medical and mental health concerns may receive priority attention.

Hello  
Welcome to LA-HOP

GET STARTED

LAHSA is working closely with DPH as well as other City, County, and Federal Partners to implement a **COVID-19 response for our unsheltered neighbors.**

We are **refocusing the work of our outreach teams to support the COVID-19 response on our streets.** This includes distributing information on COVID-19, supporting linkages to health providers, and distributing supplies. Please visit [www.lahsa.org](http://www.lahsa.org) to learn more about our efforts.

# Opening a Business In Artesia?

Follow these helpful tips to get your businesses started and to avoid potential issues. Before signing a lease or purchasing property, check the following with City Hall:

- Allowed use of the property/zoning
- Building permit history records
- Outstanding or pending code violations
- Measure V Tax requirements
- Check with City Hall prior to starting any construction.
- Obtain at least three bids when hiring a contractor, architect, or designer.

Hire a reputable general contractor or trade specific contractor, and make sure they have a current business license, state license, and are bonded. If you need building plans, hire a reputable architect, and make sure they have experience working with cities, and a state license.

- If cost is an issue, hire a reputable designer (a person that can design without a state architect's license).
- Make sure the designer has a current business license, and experience working with cities.

When you are ready to host your Grand Opening, call City Hall to see if a Temporary Use Permit is required. When opening a new business it is important to know who you are leasing from. Don't be pressured to sign a lease right away. Reputable landlords will have consistent pricing that does not expire tomorrow. It is also important that you are allowed to inspect the unit and have access to a floor plan, to ensure it matches what you are seeing. Otherwise, the work may be unpermitted.

## Don't

- Sign a lease without knowing the City's zoning, permits, or building condition.
- Sign a lease prior to getting the City's input regarding the proposed business.
- Start exterior or interior construction work without first checking with the City.
- Make the final payment to a contractor, architect, or designers, until you verify with the City that all work has been completed and is approved.

## Red Flags

- A landlord who doesn't want to sign a lease with a contingency clause.
- A location that says "newly renovated" but there are no permits for the space filed with the City.
- Contractors or anyone who suggests doing work without getting City permits.

# Renew Your Business License for 2024!

As we approach a new year, don't forget to renew your business license. All businesses in the City of Artesia, including companies with transient business activities, must obtain a business license. These businesses might be rental properties, home businesses, contractors, mobile businesses, and 1099 contractors. Licenses are valid for one calendar year, and must be renewed each year. The City is here to help and will automatically send out renewal reminders in December to each existing business operating in the City. Business license renewals are due on January 1st, and late fees apply after January 31st. If you have had a change of ownership, business name, or a new location, be sure to re-apply for your business license. Applications and renewals can be conveniently done online at <https://artesia.hdlgov.co/> or over the phone at 562.222.8142.

# Artesia Park Mini-Pitch Grand Opening!

The City of Artesia is proud to announce the Grand Opening of their long awaited Mini-Pitch at Artesia Park, with a celebration held on December 4th. The project was funded by Los Angeles Football Club and U.S. National Soccer Team player Kellyn Acosta through his foundation, the Kellyn Acosta Foundation, along with the U.S. Soccer Foundation, and the City of Artesia through a state parks grant from the State of California Parks & Water Bond via Prop 68.

The mini-pitch is one of more than 650 that the U.S. Soccer Foundation has installed with partners across the country as part of its mission to ensure children in underserved communities have access to safe places to play. Thank you Kellyn, the U.S. Soccer Foundation, and the State of California Parks & Water Bond for your support!

## Help Meet Organic Waste Requirements

California laws mandate that every city in the state must establish an organic waste recycling program and ensure compliance by January 2024. Senate Bill 1383 aims to help reduce emissions of short-lived climate pollutants. Organic waste consists mainly of kitchen food scraps and yard trimmings, such as landscape and pruning debris.

Green yard trimmings and kitchen food scraps must now both be recycled in the green organics cart. Compostable bags can be used (are optional) and are available to purchase from local retailers. Other types of plastic bags are not accepted. Food scraps pails are still available at City Hall to help residents separate food scrap waste. Please visit City Hall to pick up a pail. The City's contracted waste hauler, CR&R, helps keep organic waste out of the landfills by converting it into soil amendments at its composting facility.

Please call CR&R at 866-949-9694 if you have questions regarding the disposal requirements. More information is also available at [www.crrwasteservices.com](http://www.crrwasteservices.com) and on the City's website at [www.cityofartesia.us](http://www.cityofartesia.us).

## 2024 Scholarship Program

The City of Artesia would like to partner with civic groups, churches, or businesses in the community to raise at least \$3,000 for the City's Scholarship Program, which supports the academic advancement of Artesia residents.

Through this program, the City awards scholarships to Artesia residents who are seniors in high school planning to attend college or trade school. All applicants are required to meet a G.P.A. of 3.0 and include an essay submission.

Organizations or businesses interested in partnering with the City to help make a difference in the lives of Artesia youth, are asked to call City Hall at 562-865-6262, ext. 261. Sponsors will be recognized in printed material in City publications and on the City's website.
