City Wins Gold Energy Action Award

The City of Artesia received the Gold Level Award of the Gateway Cities Energy Action Award for its commitment to energy conservation, fiscal responsibility, environmental stewardship, and community safety. Achieving this recognition involved various initiatives, including participation in energy programs, applying for a sustainability grant (Caltrans's Sustainability Transportation Planning Grant), and ultimately being awarded this grant to create a climate action and adaptation plan for the City. This is the City's second consecutive Gold Level Award and underscores the City's ongoing dedication to sustainability.

8PM Curfew on Trash Cans

The City Council adopted new rules which went into effect on January 15, 2025, regulating when trash cans may be placed out for collection. The new rules state that trash, recycling and green waste collection containers may be placed on the curb no earlier than 6 p.m. the night before collection day and must be removed by 8 p.m. on collection day. Enforcement of the new rules will begin with warnings, no citations will be issued until April 1, 2025. Following the rules will help keep our neighborhoods clean and ensure access to public parking, and we thank you for your cooperation.

California's New Daylighting Law

As of January 1, 2025, California Vehicle Code Section CVC 22500(n), the Daylighting Law, became enforceable.

The Daylighting Law makes it illegal in California to park within 20 ft (about one long car length) of the approach to a marked or unmarked crosswalk, even if the curb is not painted red.

By keeping the area next to crosswalks and street corners clear of parked vehicles, people walking, driving, or biking can all see each other better to create safer roadways for all.

**KEEP
ARTESIA
SAFE!**

The Safer Neighborhoods Program is a community awareness campaign aimed at increasing resident participation in public safety and emergency preparedness programs, such as Neighborhood Watch. If you are interested in joining with fellow community members in protecting your neighborhood, Neighborhood Watch is for you! Team up with our local Sheriff Deputies and provide another set of eyes and ears for the community. Your input is valued so if you see something, say something.

Increase community safety by making your home less susceptible to break-ins by following these Home Security Tips:

- Lock Doors and Windows: Always lock them, especially at night and when away.
- Timed Lighting: Use timers on indoor lights to deter burglars.
- Maintain Visibility: Keep areas around doors and windows clear for better security.

For more information on how to start a Neighborhood Watch and become a block captain, please contact (562) 865-6262 or email afajardo@cityofartesia.us.

Organic Waste Recycling

Every city in California is required to have an organic waste recycling program and comply with other requirements under Senate Bill 1383, to help reduce emissions of short-lived climate pollutants. Organic waste consists mainly of kitchen food scraps and yard trimmings, such as landscape and pruning debris. Green yard trimmings and kitchen food scraps must now both be recycled in the green organics cart. Compostable bags are options and available at local retailers. Other types of plastic bags are not accepted. CR&R Environmental Services (CR&R), the City's contracted waste hauler, will help keep this waste out of the landfills and will convert it into soil amendments at its composting facility.

The City received \$75,000 from CalRecycle for SB 1383 Local Assistance grant funds. This money will be used to enforce and support SB 1383, a law that requires things like recycling organic food waste and improving recycling to reduce pollution. The funds will be used for things like buying containers for organic waste, paying for educational materials, and covering staff time for enforcing SB 1383.

Please contact CR&R at 866-949-9694 if you currently do not have a green organics cart, or with any questions regarding the new disposal requirements. More information is also available at www.crrwasteservices.com and on the City's website at www.cityofartesia.us.
