Animal Licensing Enforcement Notice

The City of Artesia contracts with the County of Los Angeles for animal control services. Uniformed officers from the Los Angeles County Department of Animal Care and Control may be visiting homes to verify that dogs, cats, and pot-bellied pigs over four months of age are properly licensed and vaccinated for rabies, as required by State law and Artesia municipal code. If you are not home, a "Call Back" notice will be left with instructions. No action is needed if your pet is already licensed. Licenses may be obtained online or in person at the Downey Animal Care Center. Your cooperation helps protect public health and maintain our community's quality of life.
